## Urban Forest Summary for UNNC and the Tree Keeper Program

Trees are one of our most valuable resources. In addition to providing shade and beautifying our streets, urban trees clean stormwater runoff and produce oxygen. Our trees improve our communities.

Join us for a presentation on the TreeKeeper program, which identifies all the public trees throughout the City. Commissioner of Public Works Mike Davis and the Urban Forest Division will also present the Urban Forest Summary for UNNC.

**When: November 3, 2022**

**Time: 6:30 - 7:00 PM**

**Where: Zoom (follow link on the Agenda)**
